## Questions for your consideration:

Read Matthew 28:18-20. Commit it to Memory as a group!

1. Take the verse phrase by phrase, even word by word, and do a "free association" exercise. Have the leader say the word "All", and the group come up with as many words or descriptions as they can. (For example: "total", "nothing excluded", "complete") Take your time as you work through the verse. You may only get through one sentence! It is an excellent way to "soak" in scripture!
2. Jesus has authority over all. But does he have authority over your heart? Your life? Your time? Your money? Your thoughts? Your fears? Your leisure? Your talents? What area of your life needs to be placed under the authority of Jesus today?
